**50th Anniversary Exhibition**

**December 12, 2019**

**EXHIBITION DATES: January 2- January 25, 2020**

Prince Street Gallery is pleased to announce our **50th Anniversary Exhibition: January 2 - January 25, 2020**. This retrospective show will be a coming together of 87 current and former artists who have exhibited at the gallery since its beginning in Soho in 1970. Accompanying the exhibit is a comprehensive catalog designed by gallery artist, Julie Bowers Murphy, featuring 70 artists works and statements during the span of the gallery’s life. An introduction by gallery artist, Flavia Bacarella, reveals the growth of the gallery; a whimsical essay by Bill Scott, former gallery artist, illuminates the importance of mutual support of artists for each other and the artist-run gallery’s beneficial role in the contemporary art world.

**The opening reception will be Saturday, January 4th from 3-6 PM.**
