

FOR IMMEDIATE RELEASE  
**New York / New Space**

In person exhibition of Gallery Artists: May 11- May 29, 2021

**Prince Street Gallery has moved to 547 West 27<sup>th</sup> Street, Suite 504, NYC!**

No one could have imagined in January 2020 that as Prince Street Gallery celebrated its 50<sup>th</sup> anniversary, word would come in a few weeks to vacate the gallery. Compounded with the onset of the pandemic shutdown, the gallery chose to remain online while looking for a new space.

*We now celebrate the inaugural opening.*

A variety of small works by gallery artists will be featured in the exhibition. The gallery embraces a diversity of approaches from abstraction to figuration.

This exhibition may be viewed in person. Due to the pandemic, an opening reception is not planned, and the number of visitors will be monitored.

Masks required for entry.

For further inquiries, please use the contact form on the gallery website.

Online viewing is also available at:
