PRINCE STREET ARTISTS March 26 – April 20, 2019

In celebration of its upcoming 50th anniversary in 2020, "Prince Street Artists" is the first exhibit highlighting this important milestone. Prince Street Gallery is pleased to host this show from March 26th through April 20th, 2019. The opening reception will be held on Thursday, March 28th from 5-8 pm.

Gallery artists represent diverse aesthetic and conceptual genres, both figurative and abstract. Though subject matter varies as well as creative approaches, sometimes there are surprising and unexpected convergences.

Bold artistic statements are made in color in landscapes as well as in abstractions. Dynamic compositional elements dominate cityscapes as well as figure compositions, and powerful images derive from portraiture, whether human or otherwise.
